

## **REMARKS/ARGUMENTS**

Claims 1-10 are pending in this application. Claims 1-6, 9 and 10 have been allowed and claims 7 and 8 have been rejected. Applicant respectfully requests allowance of each of pending claims 1-10.

5      **I.      Objection to the Drawings**

The drawings were objected to under 37 CFR 1.83(a) for failing to show every feature of the invention specified in the claims. Figure 4 has been added to illustrate the features of claim 7 and the drawings now comply with the requirements of 37 CFR 1.83(a). Figure 2 is also objected to for lacking a descriptive label. Pursuant to the Examiner's suggestion, feature 148 of  
10      Figure 2 has been amended to now include the descriptive label of "channel". Figure 2 now complies with the requirements of 37 CFR 1.84(n) and 1.84(o).

For reasons set forth above, the objection to the drawings should be withdrawn.

II.      **Allowable Subject Matter**

Applicant acknowledges with appreciation the Examiner's indication, in paragraph 4 of  
15      the subject Office Action, that claims 1-6, 9 and 10 are allowed.

III.      **Claim Rejections Under 35 USC Section 112**

In the office action, specifically in paragraph 3, claims 7 and 8 were rejected under 35 USC § 112, second paragraph, as being indefinite. Claim 7 has been amended and now complies with the requirements of 35 USC § 112 and claim 8, which depends from claim 7, has been  
20      further been amended for consistency and now also complies with the requirements of 35 USC § 112, second paragraph. The rejection of claims 7 and 8 should therefore be withdrawn.

## CONCLUSION

Based upon the foregoing, each of claims 1-10 is condition for allowance, which action is respectfully and expeditiously requested.

Based on the foregoing, each of claims 1-10 are in allowable form and the application is  
5 therefore in condition for allowance, which action is respectfully and expeditiously requested.

Respectfully submitted,

Dated: 17 August 2004
